

# ATTENTION WA Employees!

Your immediate action is required!

Choose option A, B or C

TO  
**Protect Yourself  
&  
Protect Others**

Governor Inslee's August 8th proclamation requires **ALL** of our employees to be fully vaccinated with a recommended COVID-19 vaccine by October 18, 2021 as a condition of employment.

## Frequently asked questions:

### Do I have to get the vaccine?

Yes **or** you must be approved for an Exemption.

### Why do I have to get the vaccine?

The Governor has issued a proclamation for Health Care workers to get the vaccine due to the vulnerable population we serve.

### Will I lose my job if I don't get the vaccine?

We want to work with you to overcome any barriers in getting the vaccine, please work with HR or Supervisor.
